Principal's Message

Another year has gone by at Eastglen and we hope that the succeeding years will be as successful and happy as this past one. One of the refreshing things that I have noticed about Eastglen in my three years here is that many of our graduates and many of our past students continue to come to either say hello or to seek assistance in career planning or in employment opportunities. To those of you who are leaving Eastglen, may we say you are most welcome to come back for whatever assistance you may need at any time.

For those of you who are staying on at Eastglen and this being your first or second YEARBOOK, please look forward to HAPPY DAYS AND FRUITFUL LIVING EXPERIENCES.

Arnold W. Holmes
Principal

President's Message

As another school year has drawn to a close, we cannot help but reflect on it with mixed feelings. For some of us the emphasis for the year may have been on classes and marks, while others may have concentrated on sports. The rest of us may have become involved in anyone of the aspects of Students' Union. However, wherever your interests may have rested this past year, my hopes are that 1974-75 will bring back good memories for you!

Personally, I would like to thank the many students and staff of ECHS who helped the Students' Council throughout the year and especially those who lent me their personal support. I would like to extend my appreciation to the

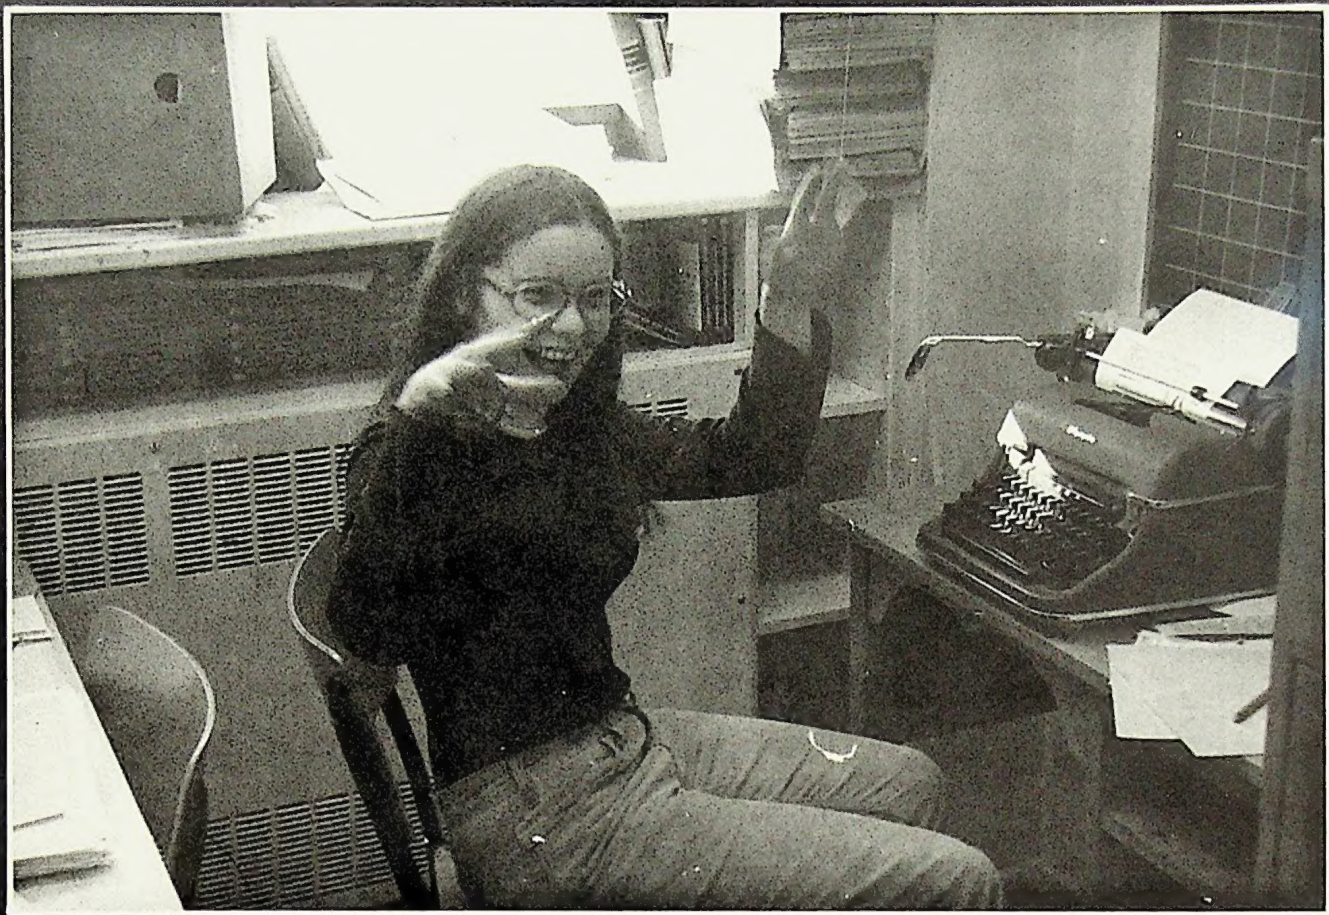

students of Eastglen for providing me with the opportunity to fill the position of S.U.P., a sometimes frustrating, but often fulfilling experience.

I sincerely hope that all Eastglen students will be able to join me in looking back at 74-75 as part of the good old days.

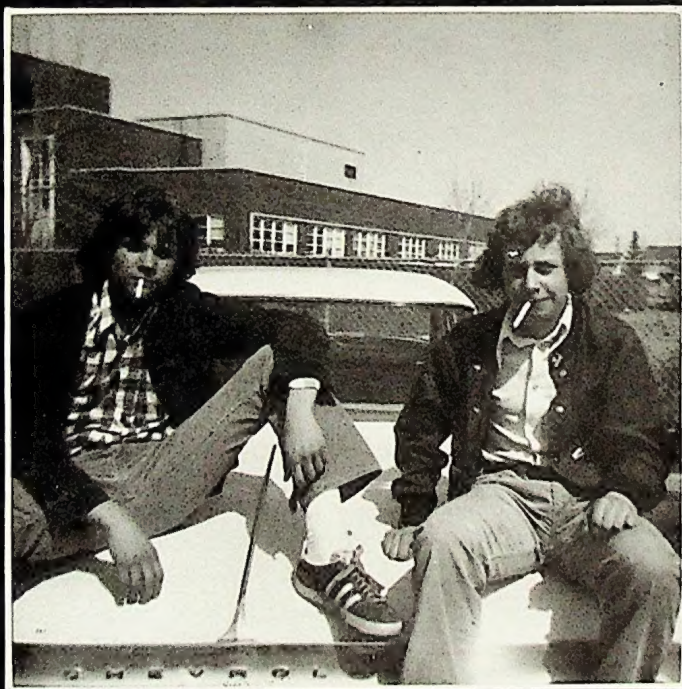

Last, but by far not least, don't lose touch with your highschool days— instant replays just aren't available!

Evelyn Deys

Students' Union President 74-75

Look Ma, No Hands!

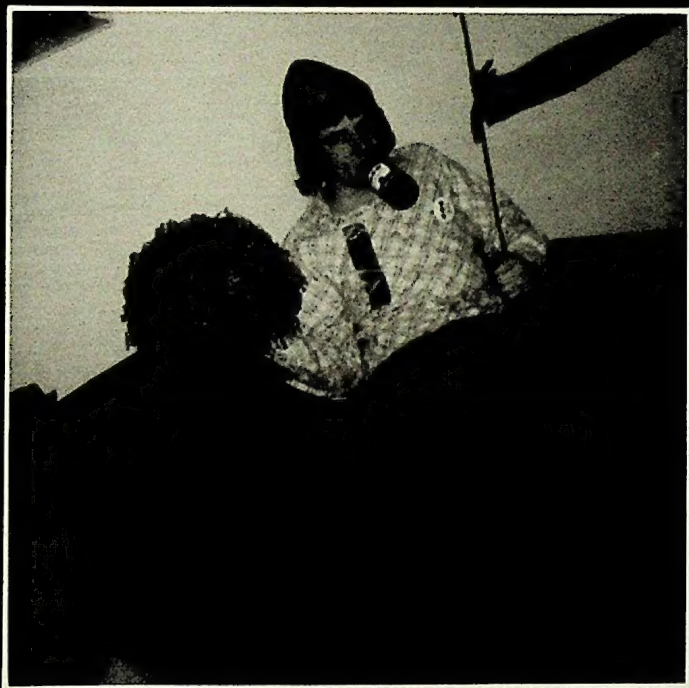

Aw! ain't I cute?

Not bad...Not Bad.

Here she is...Miss Locker Room '74

I've got spirit, yes I do!

We've been found out!

It's a first

Play it again Sam!

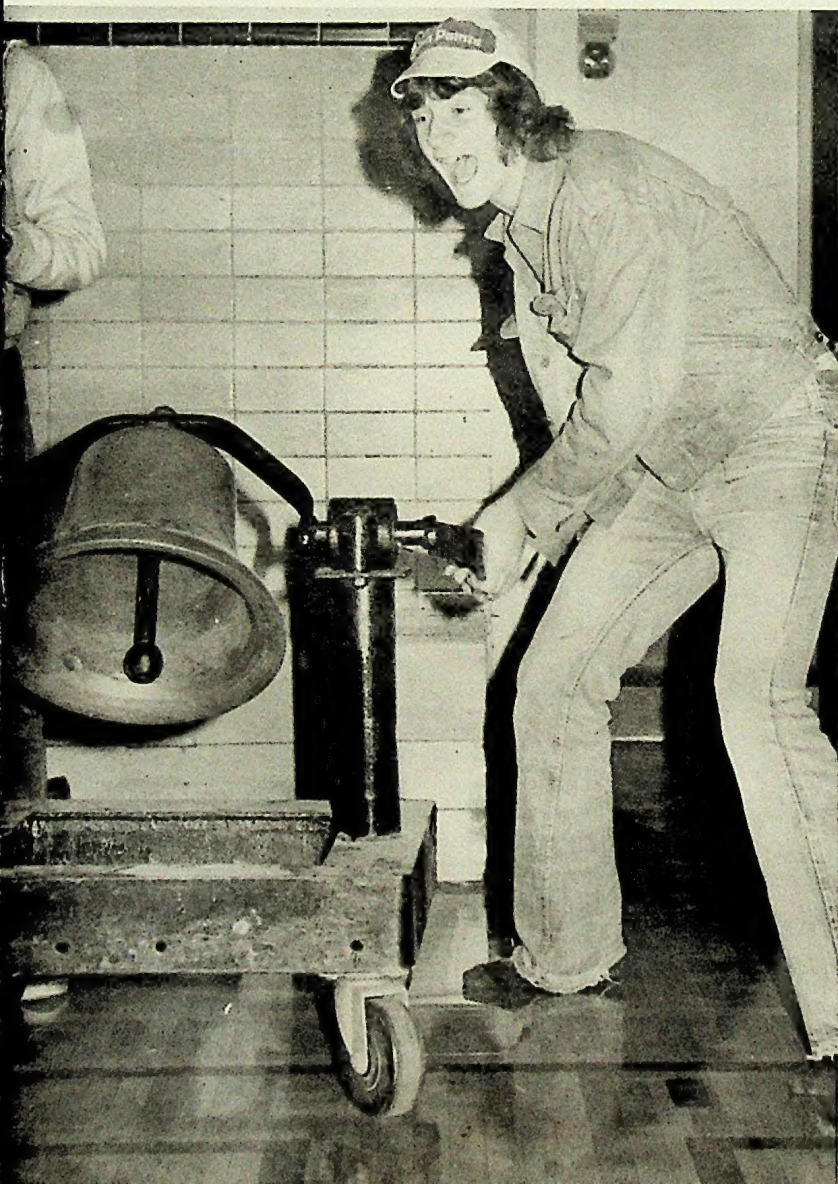

Outdoor Education?

We might get off the ground yet!

At this time we, the yearbook salvage company, would like to make certain apologies to the students of Eastglen. This yearbook has been produced from scratch by a group of concerned students and teachers who wished to have a yearbook and knew the only way they could have one would be to produce it themselves. If you are one of those teachers or students whose picture is missing or misspelled we apologize and can only say that this yearbook was produced in two weekends rather than the year most require.

The greatest problem we have encountered has been a lack of pictures. If a student's picture was missing we simply didn't have duplicates. In the case of the Grads graduation pictures could not be used because they were incomplete. Finally, in the case of sports and clubs, many of the pictures were never taken or else lost and we couldn't print what we didn't have.

My personal thanks go out to the many students who came forward to help by bringing their candid photos or by giving up their weekends to come in to help produce this yearbook and a very special thanks to Dick Huber from Inter-Collegiate Press who gave up a great deal of his time to advise and help us to put out this yearbook.

To the students of Eastglen past and present a message of responsible voting can be learned from this experience. When Students' Union elections come around next time, vote for people who will do a job not win a popularity contest, then Turkeys like me won't have to play amateur Yearbook Editor.
